E.RAIZES_REDES: (RE)BUILD AN E-LEARNING PLATFORM: PATHWAYS TO INNOVATION

CONTEXTUALIZATION

- The project e.Raizes_Redes looks forward to the "Contract of Confidence for the Future of Portugal" signed by the MCT (Ministry of Science and Technology) and the portuguese universities, which predicted an increase of the responsiveness of institutions for the eLearning.

- The project's target audience is all citizens that seek the use of communications technology and other educational settings such as eLearning.

PROJECT

- The project e.Raízes_Redes deliveries several courses and training modules in eLearning format within all the scientific knowledge that permits teachers to adapt the educational contents to this type of format.

QUESTIONS

- The need to (re)construct an educational platform in order to make it:
  - functional;
  - non-linear;
  - flexible;
- Possibility of integrate other tools, accessible and inclusive;
- The need to improve the experience of a eLearning format.

UTILIZADORES EM SESSÃO

(nos últimos 5 minutos)

Nenhum

e-Raízes Redes

Todos temos alguma coisa para aprender e alguma coisa para partilhar.
Daí o apostar–se no indivíduo cujo desenvolvimento abre, em redes, o mundo e nos integra numa micro/macrocomunidade cujas raízes estão e estarão em e–Raízes

NOTÍCIAS

Potencialidades Pedagócias na plataforma err para 2011_2012

por Administrador eRaizesRedes - Sexta, 30 Setembro 2011, 16:03

- Autenticação através de LDAP usando as credenciais da rede IPS
- Permite aceder automaticamente à plataforma e-Raízes Redes através dos terminais móveis
- O utilizador tem a possibilidade de alterar a posição dos blocos
- O utilizador tem ainda a possibilidade de colocar os blocos numa barra lateral, permitindo

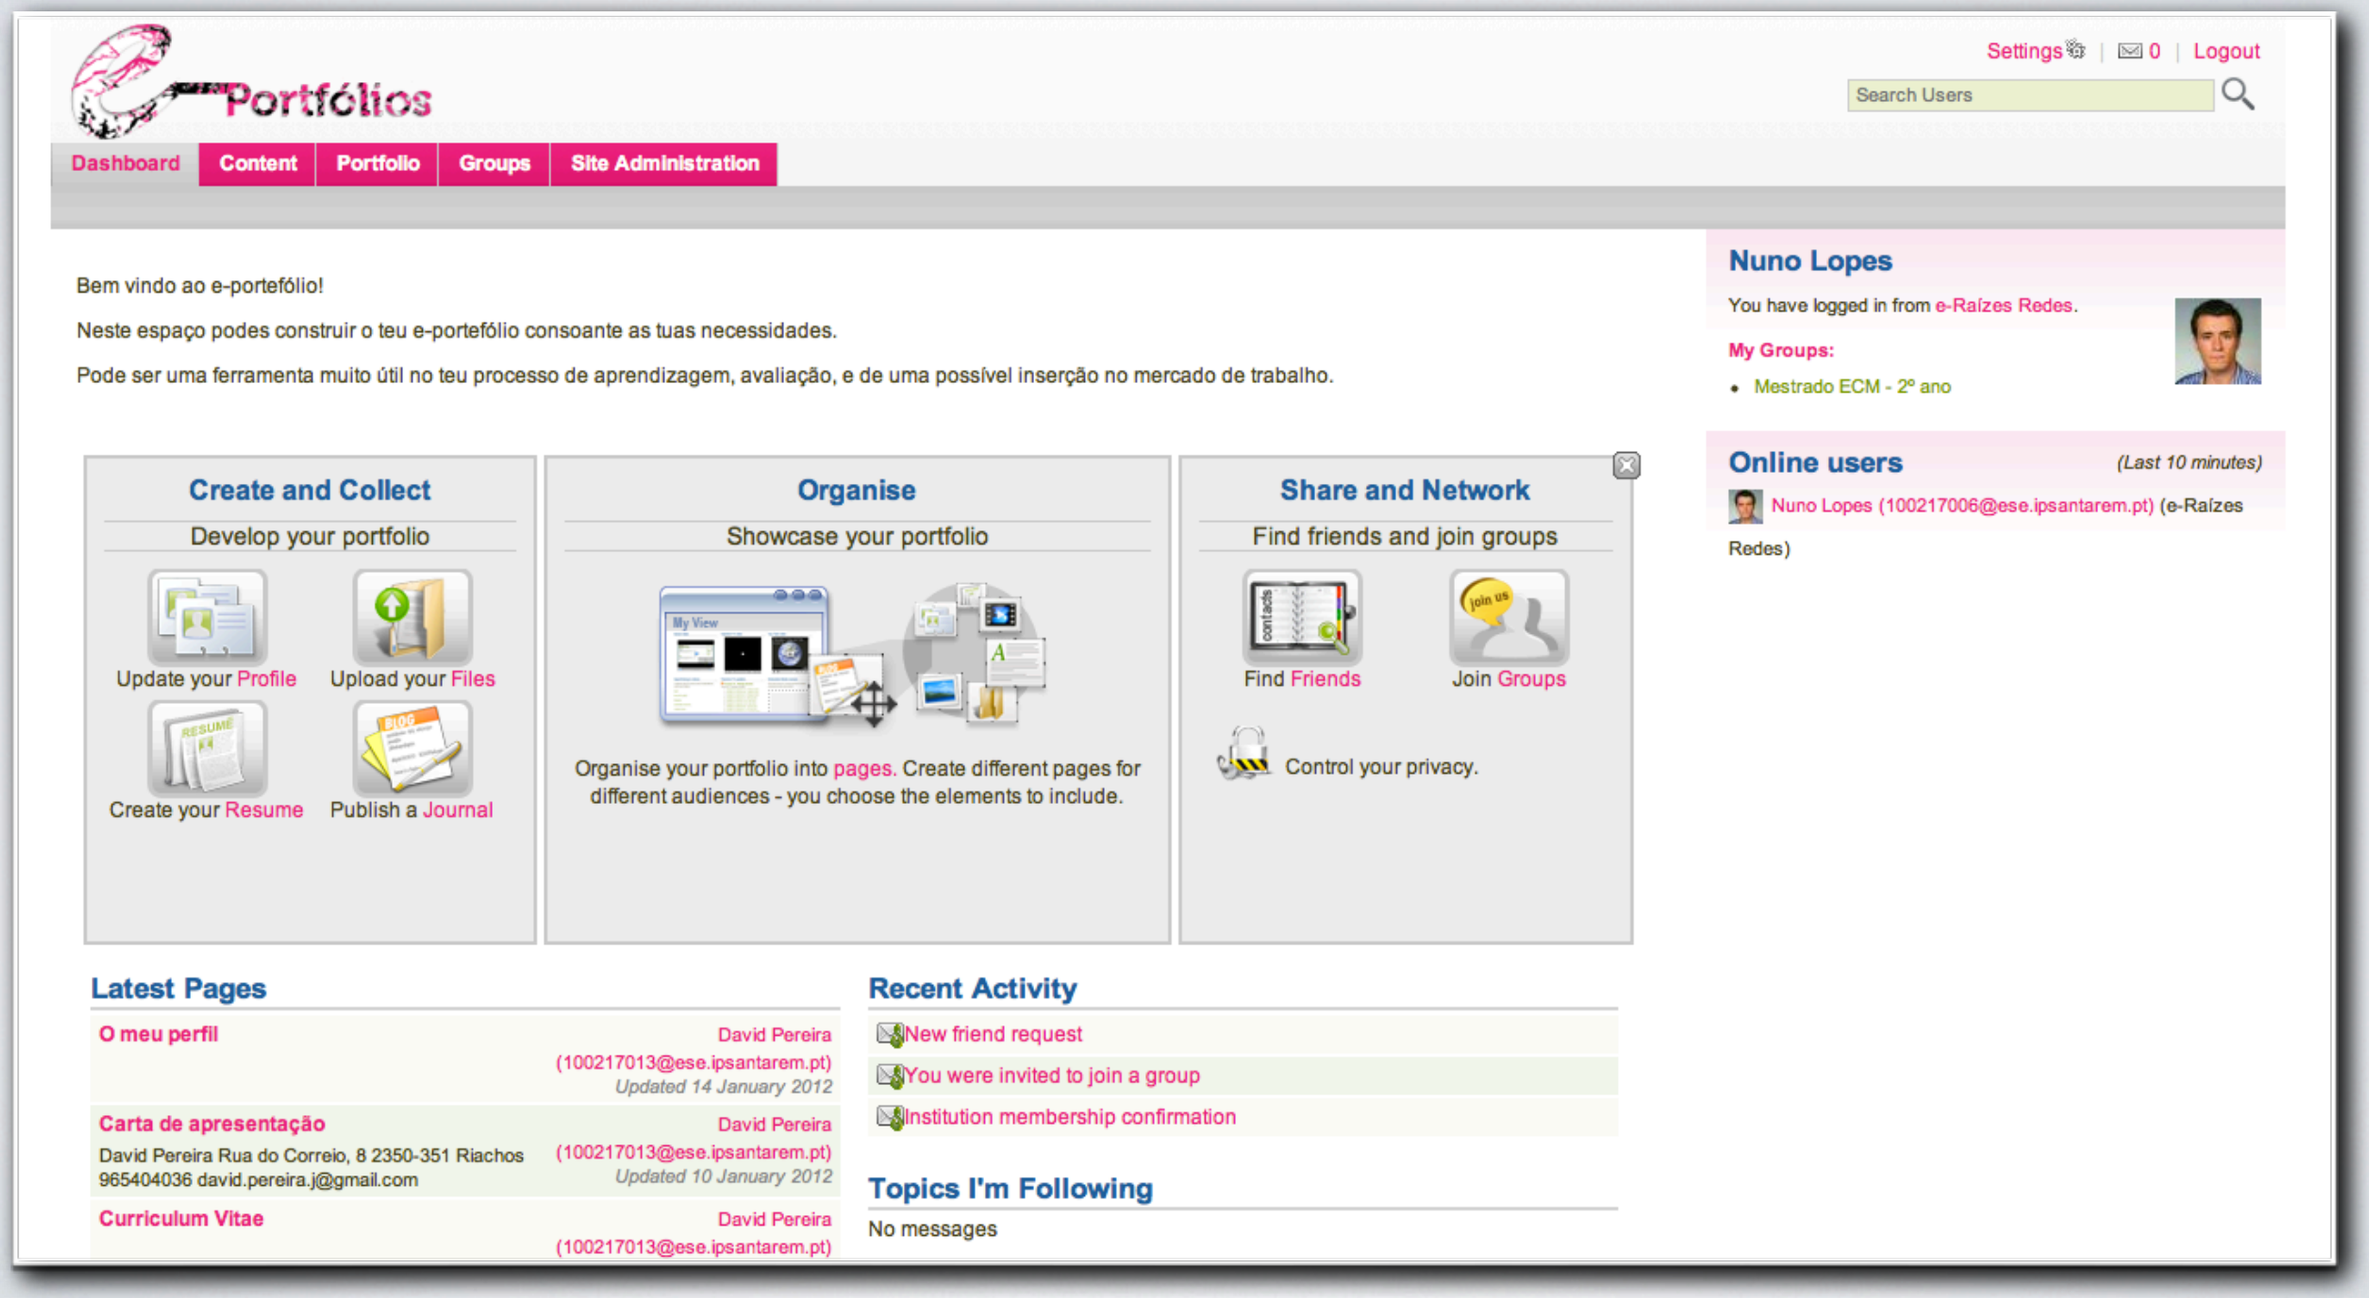
E-PORTFOLIOS



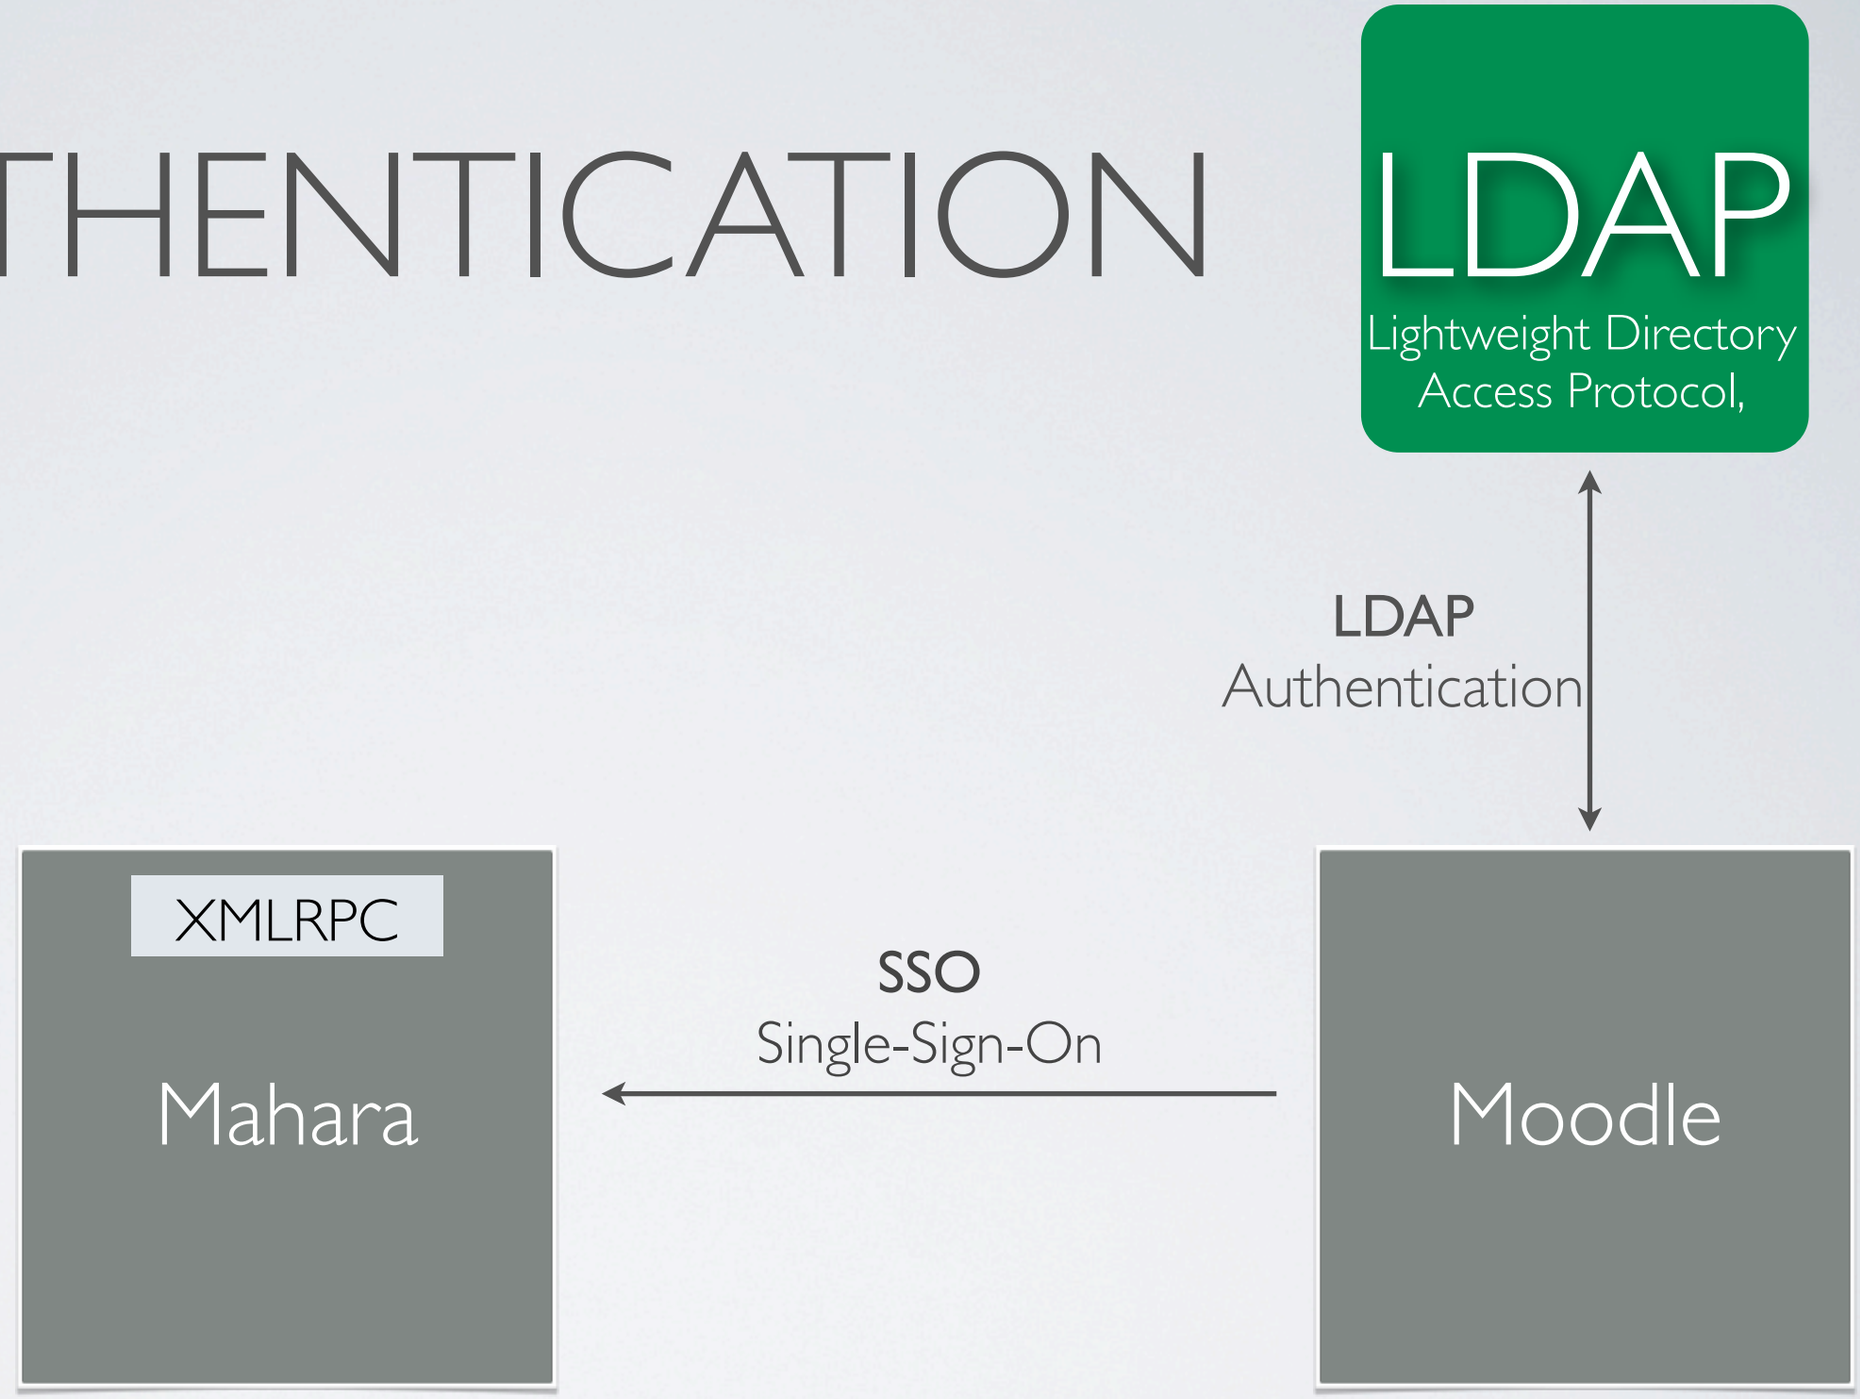
PLATFORM INTEGRATION

Integration:

1. Through the access control property SSO (Single-Sign-On) that allows users to authenticate themselves on a single platform (Moodle) and navigate seamlessly and automatically to a second platform (Mahara)

2. Moodle portfolios turns possible the setting up a method that allows the export of items such as Mahara homework, conversations in chat or forum entries.

AUTHENTICATION



ACCESSIBILITY

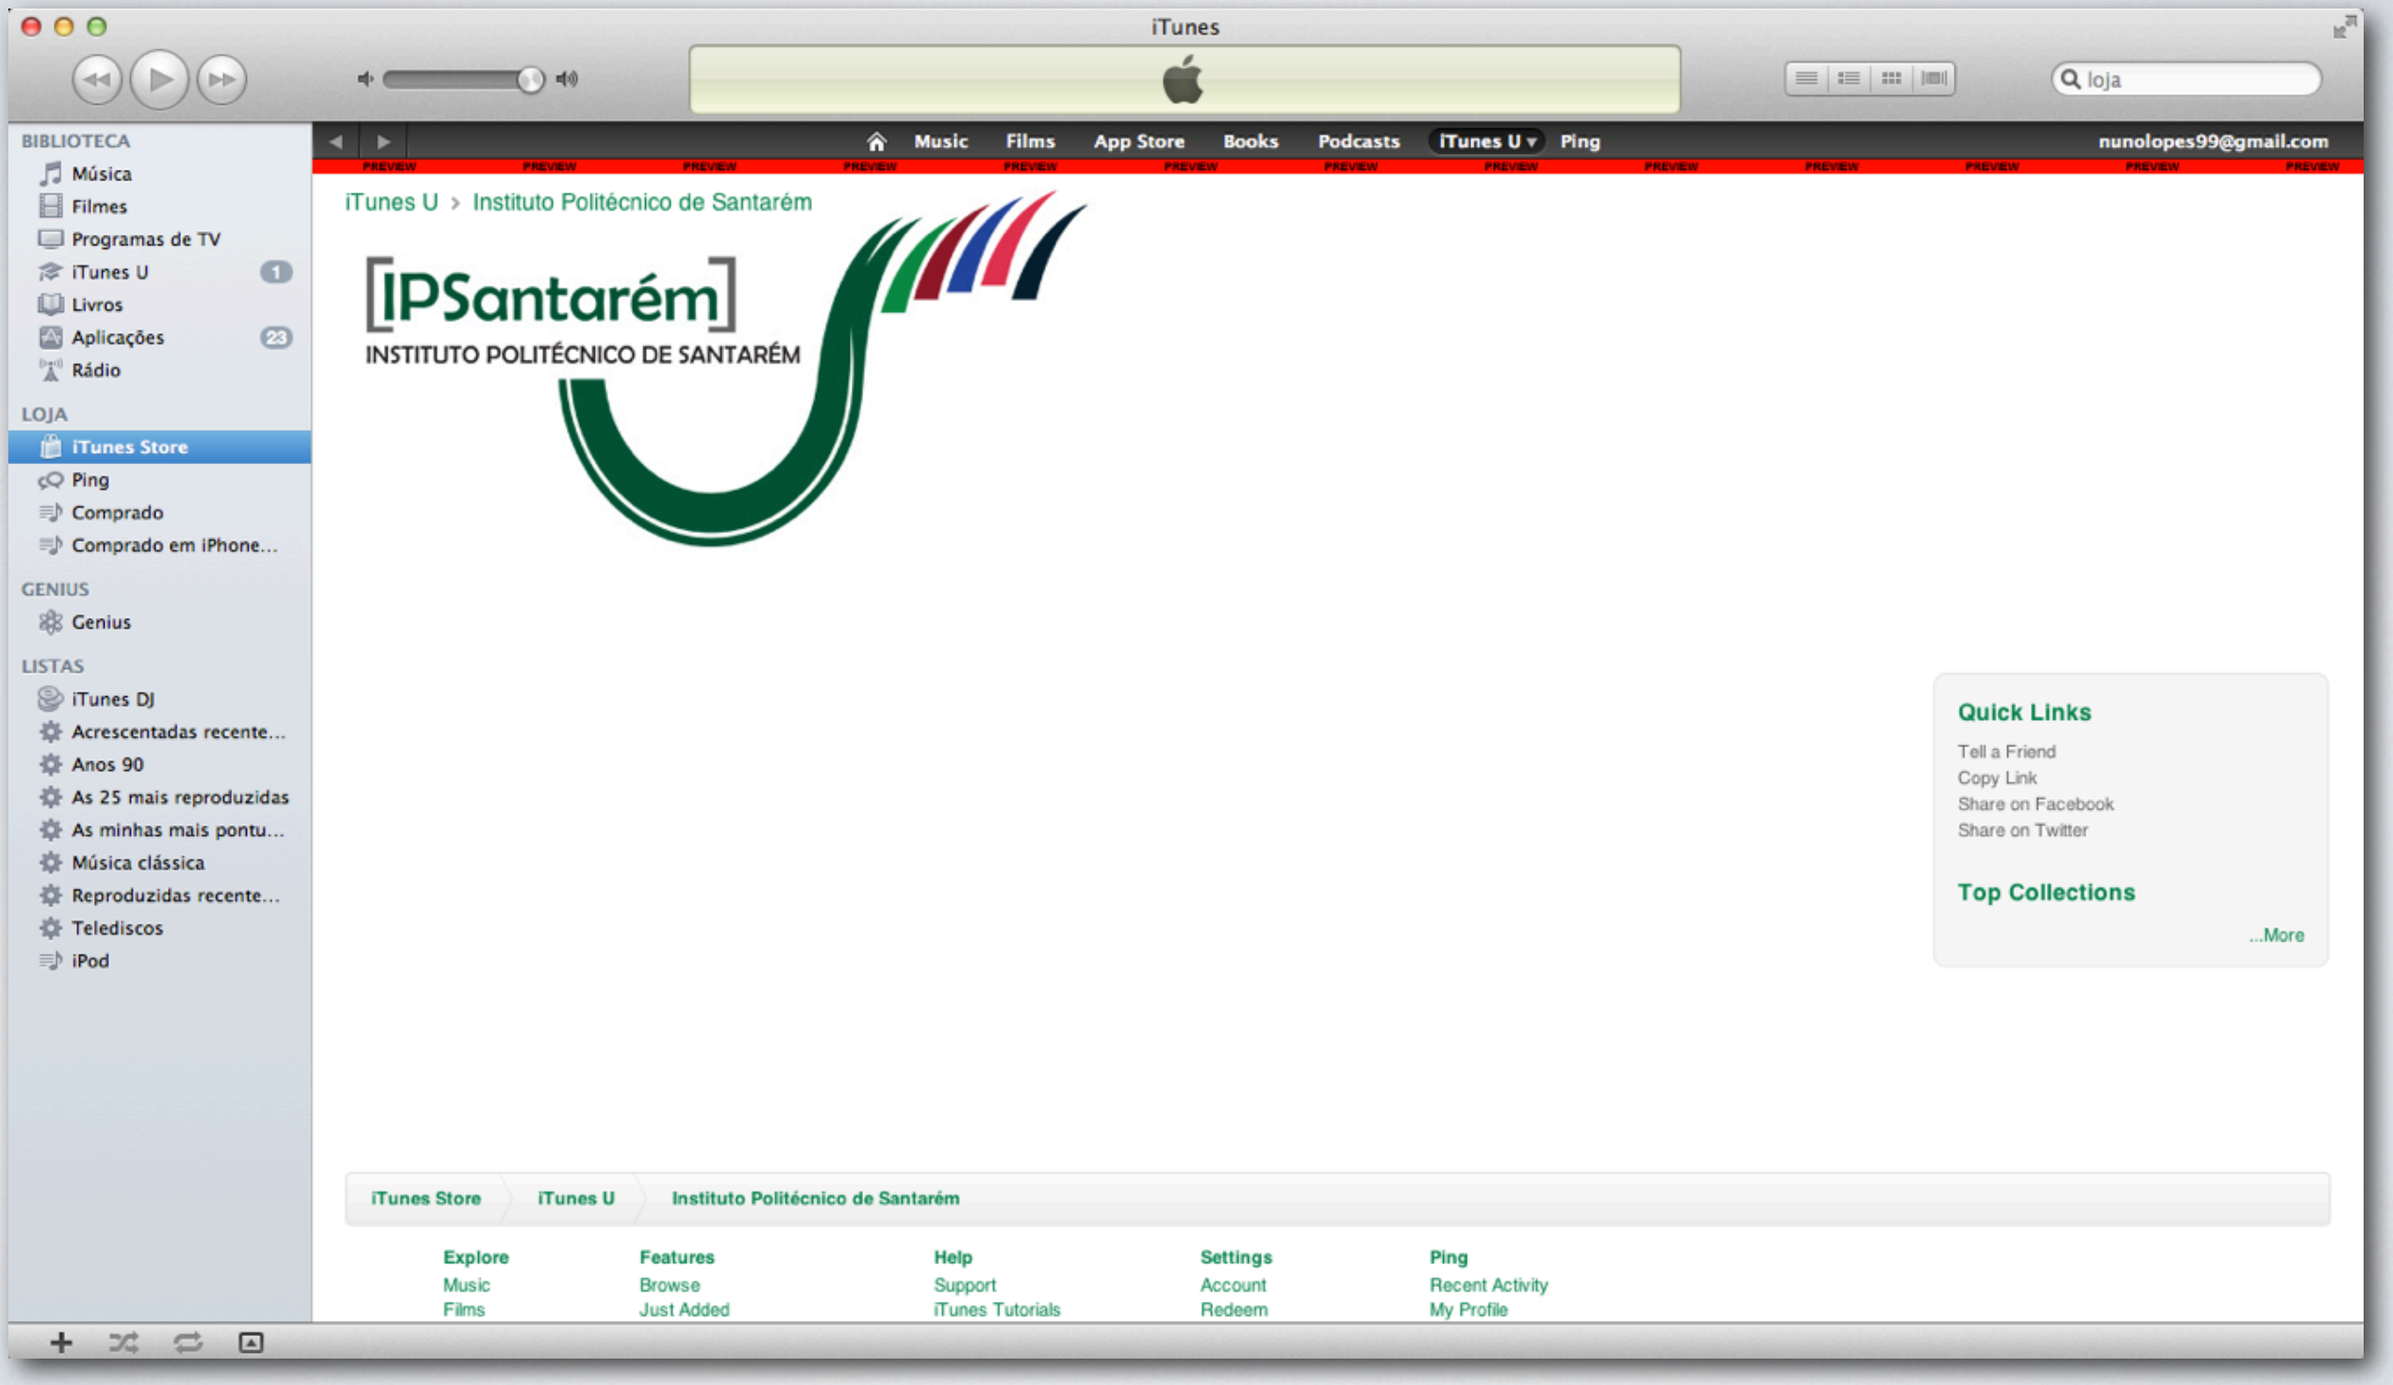
- Support text resizing up to 200% without loss of content or functionality;
- Screen reader support;
- Allow users to save the option to change the background color and/or font;
- Site Map.

PLUGIN ANTI-PLAGIARISM

Crot - Open source tool

- Analyzes and compares all documents of a specified activity and also compares it with the Web using the search engine Bing.

I-TUNES U



Privileged channel for diffusion of content like e-Books and video lessons

EDUCAST & COLIBRI

EDUcast is a platform that allow techers to record their classes with a Audovisual Kit.

Colibri is a videoconferencing system.

educast@fccn

THANK YOU ALL!
